

PICOCLEAN ARC

Anilox Roll Cleaner

PICOCLEAN ARC is a heavy-duty, water-based cleaner and degreaser used to dissolve a wide variety of inks from anilox rolls in soak tank and ultrasonic cleaning systems.

PICOCLEAN ARC is biodegradable and has a pleasant odor.

PICOCLEAN ARC is formulated with non-solvent cleaning additives, surfactants, and wetting agents which are non-flammable and non-toxic.

PICOCLEAN ARC forms a stable, low-foaming solution when diluted with tap water and is completely free rinsing.

- Biodegradable
- Non-flammable
- Water dilutable
- High detergency
- Low volatile emissions
- Petroleum solvent free

PICOCLEAN ARC replaces flammable, toxic, hazardous, solvent-based products historically used for this type of cleaning.

PICOCLEAN ARC can be used concentrated or diluted up to 5 parts with hot or cold tap water. Time, temperature, concentration, and severity of cleaning should be considered for total effectiveness.

PICOCLEAN ARC concentration is easily controlled by using a portable handheld refractometer. For additional information, contact PICO.
