

QUALITY, HEALTH, SAFETY AND ENVIRONMENTAL (QHSE) SPECIALIST

PICO Chemical Corporation, Chicago Heights, Illinois, is an ISO 9001 manufacturer of specialized industrial chemicals and lubricants since 1976.

We are seeking a QHSE Specialist who is highly experienced in ISO 9001:2015, Quality Assurance, Quality Control, and Environmental, Health, and Safety. The position is based in Chicago Heights, Illinois.

Primary Responsibilities

- Work with Management to collaboratively develop and execute a strategic QHSE vision.
- Promote a proactive safety culture driven through programs, policies, work instructions, training, and continual improvement.
- Perform all quality audits, assessments, trainings, root cause analysis, and generate reports related to all QHSE programs, policies, and work instructions, legal and customer requirements.
- Responsible for company-wide health, industrial hygiene, PPE, and risk assessments.
- Responsible for all PICO processes and risk management program for each process.
- Manage, maintain, and update PICO's ISO 9001:2015 Quality Management System & its certification.
- Manage, maintain, & update all related DOT, OSHA, and EPA requirements/standards & certifications.
- Complete EHS Reporting and regulatory compliance documents.
- Prepare and oversee Finished Goods SDS, TDS, and CoA's.
- Oversee all raw material SDS's and translate the regulatory information into PICO's finished goods SDS's utilizing the bridging principle.
- Complete all external and employee position related requests and be knowledgeable on all requirements for USMCA, Harmonized Training System, & importing/exporting of goods.
- Function as a back-up to the lab for performing QC functions as required.

Qualifications

- B.S. degree in related field.
- 5 years' experience of ISO 9001:2015 and EHS regulations.
- Lab equipment (FTIR, Titration, GC, etc.) 5+ years' experience required.
- 5+ years' experience of EPA requirement and reporting knowledge, OSHA safety programs and DOT HazMat experience required.
- 5+ years' PPE experience in manufacturing (Lab, Plant, Shipping/Receiving/Maintenance/Warehouse).
- Excellent written and verbal communication skills, well-developed problem solving, decision making, and negotiation skills, detail oriented and strong organizational skills required.
- Experience in Microsoft Office (Word, Outlook, Excel), EHS software & ERP software (Chempax VB a plus)
- Sit or stand for up to 8 hours per day.
- Must be able to lift/carry up to 50 pounds when necessary.
